Interim Mayor Yvonne Lewis

RE: Letter of Resignation

Dear Interim Mayor Lewis:

I am writing to you to submit my resignation as the Tallulah City Attorney. I have thoroughly enjoyed working with you for the benefit of the citizens of the City of Tallulah. My heart remains with Tallulah, and I remain committed to assisting the City in any way I can, particularly in efforts to economically prosper our region. Unfortunately, the lack of professionalism, innuendo, accusations, and hostile behavior of a member of the City council prevent me from being willing to continue to work for the City of Tallulah. Beyond that, it will be difficult for the City to find someone who will be willing to do such work long term and even more unfortunately, that behavior actively thwarts the City from growing and prospering. Civil discourse is welcome, but it is not what has prevailed in our past. I pray for the day when civility returns to the council as a whole and that the group can be united for a more prosperous region.

In terms of timing, I previously verbally notified you that my last day would be December 31, 2025; however, it is my understanding that no attorney has been before the City yet. I am willing to remain in the position with a resignation date effective January 9, 2026.

You may reach me by phone as indicated above or by email at pamela@crewsgrady.com.

Best Regards,

/s/ Pamela Netterville Grady
